Shannel Spence, Corp CS
Jessica Ratliff, DON, Grenada
Lassie Pappas, Dir of Strat Proc
Sonya Manning-Crawford, LPN, Meadowview

Scholarship Program

The Barbara Hair Excellence through Education Scholarship Program grants annual scholarships to eligible children of Nexion Associates who attend an accredited college or vocational school and are pursuing education in a healthcare field.

Our foundation has provided over \$250,000 in scholarships since 2004.

The Foundation is excited to announce that some changes to the Program are coming next year. One of the changes is that the Foundation is expanding the Program to include both children of Nexion Associates and Nexion Associates as potential eligible recipients. There will also be some changes to the eligibility criteria and the scholarship amount. The deadline to submit the 2025 applications for consideration will be February 28, 2025. A flyer with additional information and the updated 2025 application will follow.
